NEWSLETTER NO. 11

1 November 1965

Dear Member:

Considerable time has elapsed (11 months to be exact) since the last newsletter. Many events have taken place at your clubhouse, but very few are aware of the club's status. Why? I'm sure there are many reasons, but the important one single fact all can be proud of, is that the clubhouse is one of the best structures available, and envied by many other clubs' members who have seen and compared it. It is yours to enjoy so I ask in earnest - Why not attend the next meeting? See for yourself what is going on! The past several meetings have been attended by less than 15 members (includes presiding officers). Let's increase attendance at the meetings fellows!! Does the absence of the newsletters have a relationship to lower attendance? Time will tell.

A resume of the club's activities are: 1) Xmas trees will be sold once again this year at John Fox's Bait Store. Contact Mr. Vernon Yingling and/or John Fox and offer a few hours assistance in cutting, hauling, or selling the Xmas trees. They can't do it alone. 2) A decision has been made to install electric heat in the clubhouse at approximately 1/4 the cost of other heating plants. 3) The Women's Chapter (Barbara Fitchie) will operate the kitchen for all of the club's activities. Please coordinate all use of the kitchen with one of the women. 4) Black Walnut seeds are available to anyone who will plant them. Instructions will be furnished as how to properly plant the seeds. Members may pick up seeds at the clubhouse. 5) The Beagle Field Trials held on the club's grounds and adjoining property have been a great success. The next field trial will be held on 21 Nov 65. The Women's Chapter will serve breakfast and prepare a dinner for a very nominal charge. The meals are available to any member, their family and guests. The trials are open to all beagle owners. It is a very pleasant way to spend a Sunday with your family. Give it a try! 6) The club has purchased a portable public address system and a 16 mm sound projector. 7) The annual picnic held in August was a great success. 8) The debate held at East Frederick Elementary School concerning the Cunningham Falls Project sponsored by the club was well attended and the club's stand on the matter was published in the local paper. 9) How many of you are aware that the club's officers term run by fiscal year (1 Sept to 31 Aug)? Officers are: President, LeRoy Strawsburg; Vice President, Howard Tyeryar; Secretary, Walker Zimmerman; Treasurer, Philip Yost; Director, Richard Kreh. 10) The club has been granted a real estate tax exemption both by the county and state. 11) A few remaining jobs have to be completed before the work is at an end - try to be of assistance if at all possible.

An amendment to the Constitution By-Laws will be voted on at the next meeting. Change will be to article 1 - Subject, Membership and Dues. Proposal: To be added as Section 5, "Membership Dues will be \$5.00 for new members ~~or delinquent members~~ by ~~(1 or more years)~~ if joining the club after 1 July."

The next meeting will be held 10 November 65, 7:30 P.M. at the clubhouse off Reels Mill Road. Let's have a full clubhouse. Heat will be provided and of course - REFRESHMENTS.

MANUEL S. BARBEITO
Publicity Chairman

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Carry Permit

Contrary common belief, it *is* possible to secure a carry permit in Maryland. Pistol instructors (particularly those who are Maryland State Police certified Instructors), business owners, club officers who may handle deposits or cash, persons who have top secret security clearances, all routinely receive wear and carry permits. Persons denied such permits have a right to appeal any denial to the Handgun Permit Review Board, a five-member board, which has the power to overturn arbitrary denials.

Most Maryland permits will be issued with restrictions. Persons can, however, appeal those restrictions to the Board. Such individuals have been relatively successful in persuading the Board to throw out vague restrictions or restrictions that may expose the licensee to arbitrary arrest or detention because the intertwined nature of their business with normal, day to day activities.

Importantly, a person with a Maryland permit, even a restricted one, will be able to obtain a "shall issue," unrestricted Pennsylvania non-resident permit for the asking from any county sheriff's office in Pennsylvania. Adams County in Gettysburg is convenient for this purpose. Given our proximity to Pennsylvania, members may frequent that state.

District of Columbia is now a "shall issue" jurisdiction after the D.C. Circuit's decision in *Wrenn v. District of Columbia*, 864 F.3d 650 (D.C. Cir. 2017), which struck down as unconstitutional DC's "good reason" requirement. Applicants must still satisfy the other requirements, such as fingerprinting and 16 hours of training and an exhaustive background check, but that is all.

NRA Membership

Would you like to join the NRA or do you need renew your Membership? You can now do it On Frederick Chapter website and the membership is only \$30 instead of the normal \$40. This is a win-win situation for you and the chapter, because you save \$10 and the chapter will get \$12 for each new membership and \$6 for each renewal.

Board Meeting Reminder

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder **Friday Shotgun/IDPA Action Shooting**

Odd, 1st and 3rd and sometimes 5th Fridays, will be reserved for action shooting and Even, 2nd and 4th Fridays, for shot gun practice.

Rules for even Fridays for shot gun shooting will stay the same. (must attend an update range rules for shot gun shooting if you have not done that already)

Rules for action shooting on odd Fridays

You MUST be RSO for our range and carry a current SO (safety officer) with IDPA to use the range also must attend (help out on the match date) or participate in 2 matches per year.

Currently there are 3 areas we run our matches (lower area on the right of 50-yard berm, midsection the upper deck above the 50-yard berm in front of tiers and 200 yards berm). These 3 areas are the ONLY place you can set up for practice. The first RSO/SO on the range is in charge of the setting up and selecting stages for next SO's to shoot. Upon leaving the 2nd SO will be in charge. There must be a SO in charge as long as action shooting practice is going on.

Members of IWLA Frederick chapter that do not have SO certification through IDPA and would like to try action shooting on odd Fridays MUST contact one of the SO's to supervise their shooting. SOs to be contacted are Ben Kelkye, Troy Turner, Brook Powers, Alex Thomas, Richard Sedlack, Chris Everett, Mark Pickens, Vineet Kewelramant and Derrick Gray. (contact Ben or Troy for more updated list)

All SO's must attend an update for practice action shooting. You must have your IWLA Frederick membership card. IWLA RSO card and IDPA SO card on your person to be on the range and practice action shooting.

No nonmember guests allowed to do action shooting unless it is approved ahead of time.

On odd Fridays only, the light system, Green, Yellow and Red should be on all the time while shooting is going on.

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirement. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

Courses

The full schedule of courses to be conducted at the Chapter house for the year 2018 is available on the Chapter website at [Frederick Chapter #1 2018 Training Schedule](#) . This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit does not apply to the immediate family of members.
