Grounds Maintenance Committee

******* We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Carry Permit

Contrary common belief, it **is** possible to secure a carry permit in Maryland. Pistol instructors (particularly those who are Maryland State Police certified Instructors), business owners, club officers who may handle deposits or cash, persons who have top secret security clearances, all routinely receive wear and carry permits. Persons denied such permits have a right to appeal any denial to the Handgun Permit Review Board, a five-member board, which has the power to overturn arbitrary denials.

Most Maryland permits will be issued with restrictions. Persons can, however, appeal those restrictions to the Board. Such individuals have been relatively successful in persuading the Board to

throw out vague restrictions or restrictions that may expose the licensee to arbitrary arrest or detention because the intertwined nature of their business with normal, day to day activities.

Importantly, a person with a Maryland permit, even a restricted one, will be able to obtain a "shall issue," unrestricted Pennsylvania non-resident permit for the asking from any county sheriff's office in Pennsylvania. Adams County in Gettysburg is convenient for this purpose. Given our proximity to Pennsylvania, members may frequent that state.

District of Columbia is now a "shall issue" jurisdiction after the D.C. Circuit's decision in Wrenn v. District of Columbia, 864 F.3d 650 (D.C. Cir. 2017), which struck down as unconstitutional DC's "good reason" requirement. Applicants must still satisfy the other requirements, such as fingerprinting and 16 hours of training and an exhaustive background check, but that is all.

NRA Membership

Would you like to join the NRA or do you need renew your Membership? You can now do it On Frederick Chapter website and the membership is only \$35 instead of the normal \$45. This is a win-win situation for you and the chapter, because you save \$10 and the chapter will get \$12 for each new membership and \$6 for each renewal.

Board Meeting Reminder

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder Friday Shotgun

Even 2nd and 4th Fridays, are for shot gun practice.

Rules for even Fridays for shot gun shooting will stay the same. (must attend an update range rules for shot gun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirement. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2019 is below and online.** at the Chapter website at [FrederickIWLA Training Schedule 2019](#) This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit does not apply to the immediate family of members.

Chapter Committees

Serving on one or more of the Chapter's committees or participating in their activities provides you the opportunity to help protect our natural resources and outdoor traditions. Volunteering on a committee counts towards your work hours and could help lower your membership renewal cost. If you are interested in serving on one of the committees listed below or participating in their activities please contact the committee chair.
