Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirement. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

Grounds Maintenance Committee

***** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.**
