This is a win-win situation for you and the chapter because you save \$10 and the chapter will get \$12 for each new membership and \$6 for each renewal.

Blast From the Past January 1966

Minutes - Regular Meeting - 12 January 1966

The meeting was called to order by President LeRoy Strawsburg. The minutes from the previous meeting were read and approved.

The treasurer's report was not given since he was out of town on business. The balance of the building fund was \$396.39.

Mr. Francis Esworthy was accepted as a new member.

Lewis Boyer reported he located steel folding chairs at \$.50 each. A motion was made by William Warren to purchase 100 chairs. The motion was seconded by Earl Wiles and was passed.

The Auditing and Budget Committee did not make their annual report since they were unable to hold a meeting.

Austin Baumgardner gave a report on the field trial held on 9 January 1966. The next trial is scheduled for 13 February 1966.

John Fox, co-chairman of the Xmas Tree Committee, reported that the club's share of the profit was \$184.50. A motion was made by Buzz Baumgardner to buy the steel folding chairs from the Xmas tree money and the balance be placed in the building fund. Bill Warren seconded the motion and it was passed.

A discussion was held on the future cutting and planting of the pine trees on the conservation area. The conservation committee will have some plans for these activities in the near future.

The meeting was then adjourned.

Refreshments were served and two movies were shown.

Respectfully submitted,

H. WALKER ZIMMERMAN, JR.
Secretary

Board Meeting Reminder

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder Friday Shotgun

Monthly every 2nd and 4th Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

B

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2020 is below and online.** at the Chapter website at [FrederickIWLA Training Schedule 2020](#), This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.

The Chapter work requirement for individual and family memberships can be found on the Chapter website at http://www.frederickiwa.org/Join_the_IWLA.html. All questions regarding the work requirement should be addressed to Alison Hiltabidle at ahiltabidle1@gmail.com
