Blast From the Past February 1966

THE IZAAK WALTON LEAGUE OF AMERICA, INC. Frederick Chapter No. 1 Newsletter No. 13

2 March 1966

Dear Member:

Once again the wail of the beagle will prevail over the club's ground on Sunday, March 6; weather permitting. From the events of previous beagle trials the rabbits will lead many of the dogs on a long, hard chase. Discussions by trial enthusiasts indicate that the rabbits at the club are better educated in eluding the dogs, and those dogs capable of out-thinking the rabbit are led on good long runs. With activities dwindling this time of year you would find this an enjoyable manner in which to spend sometime and maybe participate in a new sport. Breakfast at the Club House will be served at 7:30 A.M., charges nominal, and dinner will be served promptly at 12 noon, donation \$1.25. This day and age who could ever complain at those prices. The Women's Chapter has been doing an

excellent job. Many thanks girls!

Developments since the last newsletter in January are: 1) Club's share of profit from Xmas trees was \$184.50.; 2) One hundred folding chairs were purchased; 3) Game on the club's land was fed during the recent snowstorms; 4) To date, 90 members have paid their 1966 dues. Prompt payment of dues by those deliquent members would be appreciated; 5) Work parties are very limited to a few faithful members. Please cooperate, it is your club, and a few jobs still remain to be finished. Contact Austin "Buzz" Baumgardner, phone MO 2-1662, or John Fox MO 2-5227 for details as to when and what is to be done. Work parties are generally held on each Saturday morning; 6) The conservation committee is formulating plans for the use and control of the trees in the area. Their recommendations will be submitted shortly; 7) The treasurer reported a balance of \$697.22 in the general fund, and \$200 in the interest account as of the February meeting; and 8) The speaker for the March 9 meeting will be Mr. William D. Clark, Park Ranger, Charge of the Eastern Section of the C&O canal. Mr. Clark's presentation will be a narrative description supplemented with slides which will review the canal development from the past to the future. This speaker is very timely and the topic of interest to many with the coming of Spring and the year for a trip outdoors after a long, cold, winter. Remember the next meeting 9 March at 7:30 P.M. at the Club House.

Board Meeting Reminder

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder Friday Shotgun

Monthly every 2nd and 4th Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

В

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2020** is **below and online.** at the Chapter website at FrederickIWLA Training Schedule 2020, This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.

Chapter Work Requirement

The Chapter work requirement for individual and family memberships can be found on the Chapter website at <u>Join the Chapter</u>. All questions regarding the work requirement should be addressed to Hiram Escabi at <u>hiram.escabi@usa.net</u>
