Message from the President

Hello Dear Friends,

We are in very challenging times during these COVID-19 stay at home orders in trying to slow down the infection rate within the State of Maryland. We are now entering another month where we will not be able to meet in person for our Chapter Membership Meeting for May.

It's important to continue Chapter business therefore we will hold either a Video Teleconference (VTC) or Phone Conference for the membership meeting where you'll be able to use your computer or a dial up number or both. This depends on the system we use for this. VTC or Phone Conference information will be sent to you later this week.

I hope you are staying safe and healthy!

God Bless.

Sincerely yours,

Hiram Escabi, Jr.

President, IWLA Frederick Chapter #1

Blast From the Past May 1966

Minutes - Director's Meeting - 4 May 1966

The meeting was called to order by President LeRoy Strawsburg.

The president said the State Division of the IWLA would hold their quarterly meeting at our club house on 17 July 1966.

The directors decided to hold a raffel again this year. The prizes would be the same as last year and John Fox was appointed chairman.

A nominating committee was appointed by the president; Bill Warren as Chairman and ^{Howard}~~Dick~~ Tyeryar as co-chairman. The rest of the committee will be selected at the next regular meeting.

The directors voted to use a gas stove in the club house for cooking since the electric stoves were not big enough to do the job and a large gas stove was available.

The meeting was adjourned.

Respectfully submitted,

H. WALKER ZIMMERMAN, JR.
Secretary

Minutes - Regular Meeting - 11 May 1966

The meeting was called to order by President LeRoy Strawsburg. The minutes from the previous meeting were read and approved.

Four new members were accepted by the Club. They were David E. Blackledge, Joseph T. Grumbine, Jr., George C. Pryor and Earnest Moxley.

The Treasurer gave his report and the Club has a balance of \$295.89 in the general fund and \$313.02 in Loyala Federal for the purpose of paying notes. The balance in the building fund is \$579.94.

Austin Baumgardner, Chairman of the building committee, discussed the work remaining to be completed on the building. A decision was made to hold work details on Monday evenings.

The Club purchased two gas stoves for use in the Club house for \$25.00. The ten burner stove will be installed and the six burner stove will be sold. The Club should also sell the heatrola and one electric stove.

The last beagle trial for the 1965-66 season was held on 17 April 1966. The trials for the year showed a profit of ~~\$193.73~~ ^{\$168.18} which will be turned over to the general treasurer.

A motion was made by Bill Warren and seconded by Charles Baker for the treasurer to buy and set up a general ledger book. The motion was passed by the members.

Three members were appointed to the nominating committee to assist Chairman Bill Warren and Co-Chairman, Dick Tyeryar. They were Earl Wiles, Lewis Boyer and John Turner, Jr.

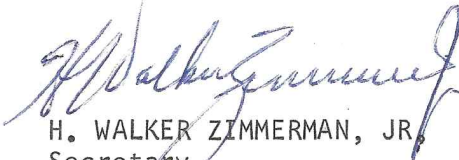

A motion was made by Gary Boyer and seconded by Raymond Clem to place a barricade across the road to the pond and have the club house keys fit

the lock. The motion was passed by the members.

August 10, 1966 was announced as the date for the raffel drawing.

The meeting was adjourned and refreshment were served.

Respectfully submitted,

H. WALKER ZIMMERMAN, JR.
Secretary

Board Meeting Reminder

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder Friday Shotgun

Monthly every 2nd and 4th Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

B

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2020 is below and online.** at the Chapter website at [FrederickIWLA Training Schedule 2020](#), This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.

Chapter Work Requirement

The Chapter work requirement for individual and family memberships can be found on the Chapter website at [Join the Chapter](#). All questions regarding the work requirement should be addressed to Hiram Escabi at hiram.escabi@usa.net
