**Blast From the Past**  
**June 1966**

Minutes - Regular Meeting - 8 June 1966

The meeting was called to order by the President LeRoy Strawsburg. The minutes from the previous meeting were read and approved.

The treasurer gave his report with a balance of \$480.50 in the general fund plus \$313.02 in Loyola Federal. The building fund had a balance of \$501.71 as of the 18 May 1966.

The chairman of the building committee gave a progress report and outlined some things yet to be accomplished before the state meeting which will be held here on July 16 and 17.

The conservation committee is checking on the possibility of building a small pond near the club house. LeRoy Strawsburg said he would contact the county conservation representative for further information.

A motion was made by Bill Warren and seconded by David Schultz to use \$75.00 of the money from the Beagle Trial profits for the annual club picnic to be held in August.

The club was honored to have State President Ivan Simms and State Secretary Minor Buehl as guests. They gave short talks on the pollution and siltation of the Potomac River and asked for suggestions from our club which might be presented to the committee for action. Mr. Simms offered to represent our club at the National Convention in Boston.

The meeting was adjourned after movies were shown and refreshments were served.

Respectfully submitted,

H. WALKER ZIMMERMAN, JR.  
Secretary

### **Board Meeting Reminder**

The Chapter Board of Directors meets each month just prior to the regular Membership Meeting. Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. However, for the Board to effectively and efficiently conduct the meetings, members may not interact with the Board during the meetings. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

### **Range Change Notice Reminder Friday Shotgun**

Monthly every 2<sup>nd</sup> and 4<sup>th</sup> Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

### **Grounds Maintenance**

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

### **Grounds Maintenance Committee**

\*\*\* We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

## **Courses**

The full schedule of courses to be conducted at the Chapter house for the year **2020 is below and online.** at the Chapter website at [FrederickIWLA Training Schedule 2020](#), This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

## **Range Status**

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Members Corner on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.
