Blast From the Past
November 1966

Frederick Chapter Izaak Walton League
Directors Meeting
November 2 , 1966

The President Howard Tyeryar called the meeting to order. Our good friend and neighbor Mr. Bare has offered to cut the wood piled along the pond road and Sunday, November 13, at 10 AM has been set to do this job.

The President checked into the insurance for the shooting range with more information to be obtained for the regular meeting. The Budget Committee will meet prior to the Directors Meeting of December. The President stated no decision had been made on the Six's Bridge Dam Project either by the county or state officials. There was a short discussion on haveing a club Bamquet instead of the anual club picnic.

December 3 has been set up to start the Chrisman tree cutting. Your help will make this project a success.

Respectfully submitted,

Austin Baumgardner,
Secretary.

Regular Meeting
Nov. 9, 66

The President Howard Tyeryar called the meeting to order. Minutes of the previous meeting were read and approved. The Treasurer reported \$194.52 in the regular account and \$312.02 in the savings account. The building account is still \$572.24.

The treasurer stated we are over the budgeted money for electric and requested a motion to pay the bill. Motion by Mr. Warren, seconded by Mr. Clem and carried.

With proper supervision and all out safety precaution, no extra insurance will be required on the shooting range. The Six's Bridge Dam Project will be tabled until the county or state officials take action. Mr. Baker received a letter from Mr. Lest Berner concerning the work of our Antler Committee and we can expect a visit from him.

A Beagle field trial is planned for Sunday, Nov. 20, this will be the first trial of the season.

Members are asked to contact John Cox, to sell Xmas trees for this year. The first cutting will be Dec. 3. John is expecting a letter from Mr. Lane to clear up the regulation concerning Maryland fishermen in West Va.

On behalf of the club the President expressed sincere sympathy to club members Herbert and Leroy Strawsburg. Mother and Grandmother respectfully was a guest of our club on many occasions.

The meeting was then turned over to member Gus Seleckman. Avery interesting story of the early American was given with the aid of slides lasting some twenty minutes.

The meeting was then adjourned. Sixteen members were present.

Respectfully submitted,

Austin Baumgardner,
Sec.

Members are welcome and encouraged to observe these open meetings which address the business of the Chapter. Members may bring up any issues they may have during the Membership Meeting. Thank you for your understanding.

Range Change Notice Reminder Friday Shotgun

Monthly every 2nd and 4th Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2020 is below and online.** at the Chapter website at [FrederickIWLA Training Schedule 2020](#), This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Events tab on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.
