Izaak Walton League of America

November 2020

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

Fall Practices

In the past three practices the youth team has practice shotgun, muzzleloader, archery. It seems nearly every practice a new member has showed up and learned something new. Each practice has gone very well and our youth team is improving, hopefully, in preparation for next year's YHEC event. This past practice was the last practice of the year. The youth team will have time off to hunt and spend time with their friends and families for the holidays. I hope everyone has an excellent hunting season and stays safe.

Schedule

NO PRACTICE
