Izaak Walton League of America

February 2021

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

## Youth Team Updates

The *Youth Newsletter* is back for 2021! The first practice of the new year is scheduled for Sunday, March 7th. The reasoning behind the schedule change is a hunter safety course from March 11th-13th. This is a great reminder for any participants that have not received their hunter safety card to register for the class as soon as possible. Firearm season is officially over and we hope that everyone got a chance to go out and put their YHEC training to the test.
