Range Change Notice Reminder Friday Shotgun

Monthly every 2nd and 4th Fridays, are for shotgun practice.

Rules for even Fridays for shotgun shooting will stay the same. (must attend an update range rules for shotgun shooting if you have not done that already)

Any questions please contact Ben Kelkye.

Grounds Maintenance

We rely on the efforts of our members to maintain the Chapter's property, and this is a good way to satisfy some or all of your work requirements. If the grass needs mowing and you have the time, please cut it. The mowers and trimmers are in the shed and the lock code is the same as for the gate. In addition to recording your time on your work hour's card, please use the clipboard in the shed to report all of your work hours and to report the status of any equipment needing maintenance or repairs.

Grounds Maintenance Committee

*** We have an opening for the Building and Grounds Committee lead. This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Courses

The full schedule of courses to be conducted at the Chapter house for the year **2021 will** be posted online before the **end of January** at the **Chapter website at [FrederickIWLA Training Schedule 2021](#)**. This training is conducted to support the Youth Program, and not all courses are endorsed or promoted by the Chapter. However, certain courses are required for members to use the range and hunt on Chapter property. The schedules are posted for the convenience of members in determining the expected status of the range at a particular time, and for selecting courses they may be interested in. Contact Ben Kelkye if you have any questions about the schedule or courses.

Range Status

The range is currently open as usual for members to use. Please remember that every Friday is reserved for Special Activities. Before heading to the range, members should always check the Calendar of Events under the Events tab on the Chapter website for current range status information. Range use is occasionally limited due to training classes and other events.

The 200-yard berm improvements are still not complete. Until this work is completed, the 200-yard range is not available for use.

Any guest using the range must be supervised by a Chapter member with Range Safety Officer credentials. A fee of \$5.00 for each guest is to be paid at the donation box under the sign-in box. **Only one bench may be used by the member and guest.** The same guest may visit the range only two times a year. The guest fee and two-visit limit do not apply to the immediate family of members.
