Izaak Walton League of America March 2021

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

Youth Team Updates

March marks the first practice of the year. The Youth team will meet on the first Sunday of the month, the 7th instead of 13th. Renovations took place in the basement in the form of a storage closet for the recently acquired books. Some members of the Youth team helped move dozens of copies of Historical Bridges of Frederick County. The author, Dr John Vitarello, is a member of the Izaak Walton League and the donation is greatly appreciated. A portion of the funds will help fund the youth program. March marks the beginning for the Youth's Team journey back to the state YHEC competition.

Schedule

Sunday, October 7th	12:00-4:00	
---------------------	------------	--
