Izaak Walton League of America April 2021

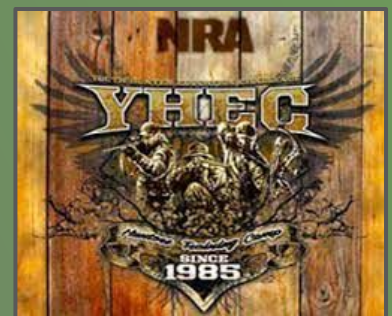

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

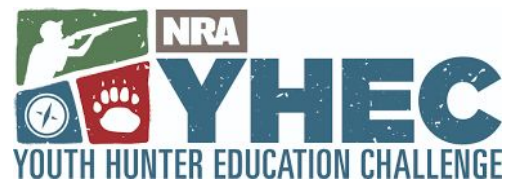

Coach Ben revealed that the YHEC competition is back on for this year! The event has been shortened and will be made a one day event. We won't know the official changes and how the events will be changed until the end of april. This month will start on Saturday the 3rd because of Easter where the youth team will shoot muzzleloader as it could be of extra importance in this year's competition.

The Girls Scouts and the Boy Scouts are also coming this month. The Girl Scouts are coming for one afternoon on the 7th and the Boy Scout are coming on 10th and 11th for a typical trip. This would mean no practice on the 11th but the senior team should come and help the Boy Scouts on both days(see the schedule for more information). The month will end with practice on the 18th and 25th and it will mark the end to a busy month and we should know the finalized plans for the YHEC competition.

What's coming up?
