Izaak Walton League of America

September 2021

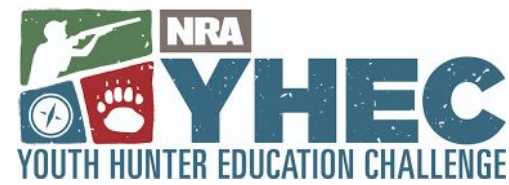

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

Stream

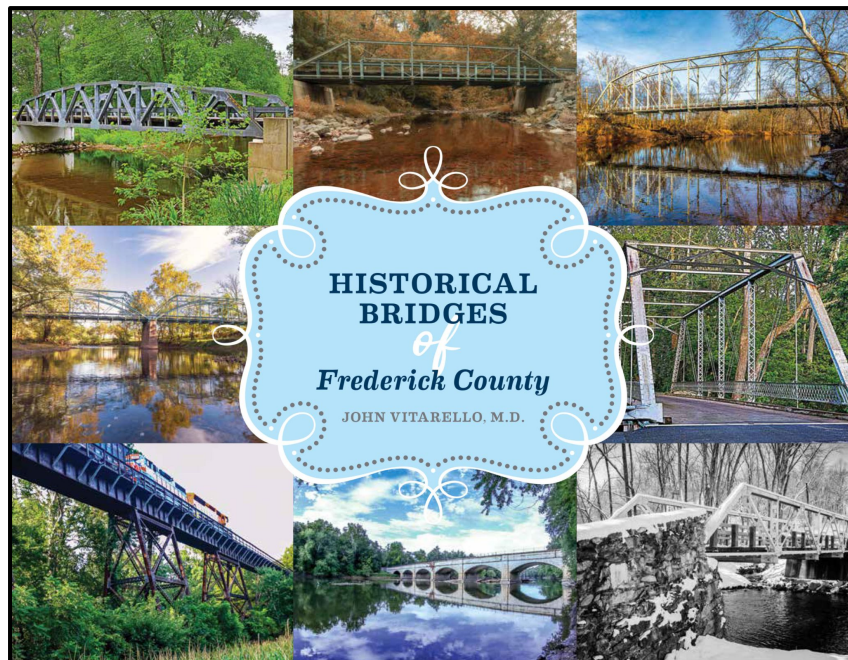

The Izaak Walton League of America (IWLA) Save Our Streams is a nationwide program that trains volunteers to protect their local waterways. The program began in 1969 with volunteers cleaning up trash from local waterways. Today the Save Our Streams(SOS) program specializes in macro-invertebrates (waterbugs) identification and simple chemical test with over 49,000 samples taken to date. Dr. John Vitarello recently proposed participation in the Save Our Streams to the Frederick IWLA Chapter. He donated distributorship rights and future revenue of his book, Historic Bridges of Frederick County, along with other funds that support the youth program and SOS. For any interested parties you can show up to the Conservation Fellowship meeting, on the first Wednesday of each month, as well as contact me. More information and links of SOS will be on the next page.

Youth Team Members!

I am interested in doing interviews for the youth team so everyone can get to know each other better. I have done these in the past with some of the senior team and coaches. If interested I would sent you seven-eight questions then I will write an short article. For more details email or text me.

If any reader would like to make any suggestions or ideas for articles email or text me at

alexander.bokelman@gmail.com 301-569-0057
