Izaak Walton League of America March 2022

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

We're Back

We had our first practice in the new year last month. The first meeting we just did inventory and assigned new members rifles and bows. On the second practice we practiced rifle and archery. Our new members did very well and our junior team is looking strong. Our Senior team is currently consists of Grant, Anthony, and I(Alexander). So if anyone knows of someone in highschool that might be interested in the program it would be great for them to join.

We have our yearly troop of boy scouts coming late this month and parents and seniors are encouraged to come and help. We also have our spring cleaning on the 20th. We hope everyone can come and help clean up for the boy scouts and the coming year.
