Izaak Walton League of America April 2022

The Izaak Walton League of America (IWLA) youth program teaches local youth how to safely handle firearms in a hunting environment. The main focus of the program is safety and education. When the group meets, the practices are lead by coaches who teach in various categories of shooting and hunter safety training. The members of the program practice and train all year to compete in the Youth Hunter Education Challenge (YHEC). This competition tests eight different categories including rifle, archery, muzzleloader, shotgun, orienteering, hunter safety exam, hunter safety trail and wildlife identification. The youth athletes better themselves and their communities everyday.

Boy Scouts

In March, we had our spring cleaning and hosted a troop of boy scouts. It was the same troop from last year and it was great to see them all again. Many coaches and the senior team came out to help and volunteered their time.

We will have practice on the 9th and 23th this month as we start to near our YHEC competition. With us only being a couple of months out we hope to have a full senior team. So if you know of anyone in highschool that might be interested tell them to come to a practice and try it out.
